<https://myplsso.education.nsw.gov.au/q/NR17739>

### Course Information

**Teachers will:**

- Unpack the complexity of syllabus requirements for depth studies in Stage 6 science.
- Strengthen their understanding of Inquiry Learning.
- Learn to incorporate depth study activities into programmed lessons and first-hand investigations.
- Develop a model depth study based on syllabus requirements using the Dubbo Environmental and Zoo Education Centres as resources.
- Collaboratively share their developed depth study tasks with their peers and provide feedback to others.
